

ST. BERNARD CO.
WINS CONTRACT

Will Furnish Coal to Electric Light Plant at Henderson

FOR THE NEXT TWELVE MONTHS

(Henderson Gleaner, July 24.)

Acting on the recommendation of the electric light committee, the city council awarded the contract for furnishing coal to the various city departments, at a called meeting of the city date, held on Friday night. The contract for furnishing coal to the electric light plant was awarded to R. A. Powell, while the Nicholson Mining Co. was given the contract for furnishing coal to the other departments.

The electric light committee, composed of Jarvis, Stanley and Kockritz, recommended that the contract for furnishing pea and slack coal for use at the electric light plant be awarded to R. A. Powell at 85 cents per ton, delivered at the plant. The committee also recommended that the contract for furnishing coal to the other departments be awarded to the Nicholson Mining Co. at seven and a half cents per bushel for nut coal, and six cents per bushel for mine run.

There were present only nine members of the council present at the meeting when the committee made its report. Eight members voted to adopt the report of the committee and award the contract and one voted no. Those voting to award the contracts to Powell, representing the St. Bernard Mining Co., and the Nicholson Mining Co. were: Ward, Kockritz, Jarvis, Steffy, Stanley, Mason, Weruer and Becker. Only councilman present to oppose the awarding of the contract was Huhlein, who voted no.

The meeting was called for the express purpose of awarding the coal contracts. The committee was ready to report, and as the contract for furnishing coal expired on July 30, it was necessary to have a meeting at once. The call for the meeting was signed by the following members: A. B. Jarvis, E. O. Ward, H. M. Stanley, Nick Becker, A. T. Kockritz, Joe Baiken, Frank B. Weruer and H. C. Mason. The three members absent from the quorum were: Frank S. Haak, Joe Baiken and D. A. Howard.

Beware of Ointments for Catarrh that Contain Mercury.

As mercury will surely destroy the sense of smell and completely derange the whole system when entering it through the mucous surfaces. Such articles should never be used except on the prescriptions from reputable physicians, as the damage they will do is ten fold to the good you can possibly derive from them. Hall's Catarrh Cure, manufactured by F. J. Cheney & Co., Toledo, O., contains no mercury and is taken internally, acting directly upon the blood and mucous surfaces of the system. In buying Hall's Catarrh Cure be sure you get the genuine. It is taken internally and made in Toledo, O., by F. J. Cheney & Co. Tasteless and safe.

Traveling Man's Experience

"In the summer of 1898 I had a very severe attack of cholera morbus. Two physicians worked over me from four a. m. to 6 p. m. without giving me any relief and then told me they did not expect me to live; that I had best telegraph for my family. Instead of doing so, I gave the hotel porter fifty cents and told him to buy me a bottle of Chamberlain's Colic, Cholera and Diarrhoea Remedy, and take no substitute. I took a double dose according to the directions and went to sleep after the second dose. At five o'clock the next morning I was called by my order and took a train for my next stopping point, a well man but feeling rather shaky from the severity of the attack."—Wm. H. Democrats Asked To Ratify
Governor's Appointment
of Judge C. S. Nunn

JUDGE C. S. NUNN, OF THE COURT OF APPEALS.

Successor to his father and appointed by the Governor on recommendation of all the judges of the court. The appointment is effective until this election.

Judge Nunn asks the people at the Democratic Primary, August 7th next, to ratify the Governor's appointment and elect him to serve the remaining three years of the term given up by his father.

Since his appointment the duties of the office have kept Judge Nunn almost constantly at Frankfort, so that he has had but little opportunity to make a personal canvass of the eighteen counties composing the district.

FIRE AT OAKMOOR

Does Much Damage Before Being Brought Under Control

FIRE LADDIES DO GOOD WORK

About 9 o'clock yesterday morning the fire alarm was sounded for District 3, and the blaze proved to be at Oakmoor, the beautiful home of Paul M. Moore. The Earlinton Fire Department was soon on the scene and did yeoman's service in fighting the flames, which were very stubborn and hard to subdue, but which were finally brought under control after the upper story was destroyed. Valiant work was also done by volunteers in removing the furniture.

The fire did not break through into the second floor except at one point, but water did much damage in this part of the building. Repairs will soon be made and Oakmoor will shortly take its place again as one of the show places of our little city. The loss was very heavy, but partially covered by insurance.

RETURNED HOME

Friday Night After Ten Days Encampment at Owensboro

PLEASANT AND PROFITABLE TIME

Company G, under command Capt. Ben Wilson, returned home, Friday night, after a most interesting encampment, much to the delight of their lady friends many of whom met the train.

With the exception of mud and rain and a few other trifles like that the boys had a good time, as they always do on their outings. The feature of the encampment was the sham battle. The boys returned home tired but happy.

The resident staff officers, hospital corps, etc., also returned at the same time.

Carpenter pitched well throughout. This makes Carpenter's fourth game he has pitched against Crofton, winning three of them. The infield was O'Connor c., Carpenter p., Bacon Nance s. s., Manuel Devylder 1st, Waller 2nd, Pug Barnard 3rd base. The outfield was D. Devylder l. f., Curtis, c. f., Pappy Bennett r. f. This makes 14 games the Juniors have played, winning nine of them, giving them a percentage of .643.

WASH FROCKS
HAVE THEIR DAY

Plainer in Design and More Elaborate in Material With Accessories an Accomplished Fact in Smartness

VOIL THE ALL-POPULAR FABRICS

New York, July 24.—Wash frocks are not what they used to be. Indeed, you have to rub your eyes and look twice to believe such altogether smart garments were ever intended to touch the war. The dets, the voiles, the swisses, and even the linens, have that mysterious something called chic in their make-up that gives them entire wherewithal the one-piece silk dress may go.

Skirts Overlap Waists and Vice Versa

The treatment of the waistline is one of the most important features of the frocks that the big stores are showing us. Invariably, the skirt comes up and finishes with the hemming at the girdle, or the waist extends into a peplum and covers the skirt. This overlapping of waist and skirt offers a welcome relief from more pronounced joinings and is in itself a trimming for the dresses.

One of the New Figured Voiles in an Afternoon Dress, With a Smart Satin Belt and Japanese Parasol

There are skirts with slightly raised waistlines and plain inch-and-a-half headings; others with wide girdles below the heading and, again, the skirts are shirred or corded, with the heading extending above the peplum, too, are treated in different ways. Many are made with the new moral waistlines but there are still a few with the raised waistlines. Unusually, with the peplum idea, the waist has a vent, leaving an open space in the peplum in front. At the waistline, there are double lines of shirring, a crushed girdle, a belt of the material, or one of the new fancy belts or patent leather and white kid.

Tired, Aching Muscles Relieved

Hard work, over exertion, mean stiff, sore muscles. Sloan's Liniment lightly applied, a little quiet, and your soreness disappears like magic. "Nothing ever helped like your Sloan's Liniment. I can never thank you enough," writes one grateful user. Stop suffering, aches and pains. An excellent counter-irritant, better and cleaner than mustard. A 1 Druggists, 25c. Get a bottle to-day. HUERTA AND MEXICO

The "old Indian" whom Presi-
dent Wilson froze out of Mexico
has again been in the lime light.
The other day he made some
comment on the Mexican situa-
tion that is of interest. His state-
ment, which appeared in a Wash-
ington dispatch, is as follows:

"Out of some 16,000,000 people
in Mexico today there are 15,900,
000 who ask nothing better than
to be let alone. They want peace.
The remaining 100,000 are band-
its who are fighting for the
spoils of one of the richest coun-
tries on earth; they are men who
live by plunder and who would
rather fight than work. One of
the great troubles is that the
real conditions in Mexico are not
known outside of the country be-
cause not a letter nor a cable
leaves the country without being
censored.

"There is one very simple re-
form that can be carried out and
ought to be insisted upon. It is
this: Under existing laws the
proprietor of land that is unculti-
vated pays no taxes on it, and
there are many men of great
wealth who keep enormous land-
ed estates uncultivated purpose-
ly, so as to avoid paying taxes.
The government ought to tax un-
cultivated land high enough to
force the owners either to culti-
vate or to sell."

LOUISVILLE MOOSERS AND REPUBLICANS UNITE ON ROY WILHOIT FOR STATE AUDITOR.

More Than Five Thousand Progressives and In-
dependents Sign Petition Urging His Nomi-
nation.

ROY WILHOIT.

PETITION WHICH 5,100 PROGRESSIVES AND IN-
DEPENDENTS OF LOUISVILLE AND JEFFERSON
COUNTY HAVE SIGNED, URGING KENTUCKY
REPUBLICANS TO NOMINATE ROY WILHOIT
FOR STATE AUDITOR.

To the Republicans of Kentucky:

We, the undersigned Progressives and Independent voters
of Louisville and Jefferson county, Kentucky, desiring to see
Democracy ousted, both in the State and Nation, and be-
lieving that the prospects are bright for both, and realizing
that such can be brought about only through union and har-
mony, request that in the selection of nominees for the various
State offices in the coming State primary in August, 1915, you
nominate men whom we can heartily support in the general
election in November.

Realizing that it would be impractical to have a Progres-
sive or an Independent as one of your nominees, we wish to
state to you that the nomination of HON. ROY WILHOIT, of
this city, for STATE AUDITOR, would be highly pleasing to
us, as we have carefully watched his political course during the
past few years, and during his race for Congress in this dis-
trict last year he made direct appeals to the rank and file of
the Progressive party and the Independent vote which at-
tracted favorable attention from us, and won for him our ad-
miration. He is young, aggressive, courageous, honest and
capable, and we believe his nomination would unite the Repub-
lican party in the Fifth district, and we urge the Republicans
of Kentucky to stand for his nomination.

We, the undersigned, Hugh H. Ellis and J. T. Rennison,
Progressives of the city of Louisville, and B. T. Harsh, Repub-
lican, certify that we have examined the names signed to the
above petition, and find the number of signatures to be as
above stated.

Signed:

HUGH H. ELLIS,
J. T. RENNISON,
B. T. HARSH.

Mr. Wilhoit is able and capable—a vigorous campaign speaker
and a good fighter. He will contribute much service and add
strength by his effective campaigning all over the state. The
Republicans have never carried Kentucky when they lost Louis-
ville. It is the largest District in the State and in all fairness
is entitled to a candidate on the Republican ticket, aside from
its effect on the get-together movement.

Both of Mr. Wilhoit's opponents are from the Eastern part
of the State from which section it is now certain that a majority
of the ticket will be selected—one of them being from Franklin
county, which county already has the Republican nominee for
Attorney General. To refuse the Fifth District a single candidate
and at the same time give to one small Democratic county two
candidates for the most important offices would certainly be not
only unfair but extremely unwise.

WHAT FORMER GOVERNOR WILLSON THINKS
OF THE CANDIDACY OF ROY WILHOIT.

To the Republicans of Kentucky:

I believe that Mr. Roy Wilhoit, if nominated for State
Auditor, will gain for the Republican ticket more votes in
Louisville and Jefferson county than any other candidate to
be voted for at the election. I believe he is the choice of
those voters in Louisville and Jefferson county whose support
will give us the best chance for victory this year and I hope he
will be nominated.

(Signed) AUGUSTUS E. WILLSON.

WOMAN TALKED OF REASON TO MONARCH

(Chicago Evening Post)

The woman who talked of reason and of peace to the distracted diplomats of Europe returns today to her home city. Chicago welcomes her, its pride a little greater in her character and her achievements.

A futile mission, some will say of the strange embassy she undertook. Yes—and no. Sadly futile if we reflect upon the fact that those to whom it was directed listened with hands impotent to stay the tragedy of war. very excess, it has worn itself out. And yet the thing Miss Addams did was worth doing. The day will yet come when the world will speak of her fine sanity in an hour of human delirium.

When Miss Addams spoke for reason and for peace, she spoke for things in which we all believe and our faith in them is strengthened by the fact that this brave woman raised their banners in the very midst of Europe's turmoil. It takes moral courage to proclaim a dream of beauty when the world is obsessed by a nightmare of blood.

And the thing was worth doing because it proved—alas!—that the day may come when the dream will be reality it has not yet come. Miss Addams may dissent from our conclusion, but we find in the story of her mission the lesson that today is one for preparedness; that the world is full of unrighteousness, and that while unrighteousness prevails. Those who champion justice and liberty and the hope that out of them may be born peace must be ready, if need arise, to fight for these engendering causes. If they are not, in their fascination with the dream they may lose the very essentials for its realization.

NOMINATE ROY WILHOIT FOR AUDITOR AND UNITE THE REPUBLICAN PARTY IN LOUISVILLE

Exceptionally Well Qualified Because of Training and Experience

HAS CLEAN AND BRILLIANT RECORD

LEADING BUSINESS MEN AND LAWYERS OF LOUISVILLE ASK FOR THE NOMINATION OF ROY WILHOIT FOR STATE AUDITOR. WEALTHIEST AND MOST INFLUENTIAL REPUBLICANS OF THE METROPOLIS ENDORSE HIM.

Louisville, Ky., July 9, 1915.

TO THE REPUBLICANS OF KENTUCKY:

We believe that the peculiar conditions existing in Louisville and Jefferson county, comprising the Fifth Congressional District of Kentucky, warrant our calling to your attention the importance of a careful consideration of the nomination of candidates upon the Republican State ticket to be voted for in the November election.

The results of the election in Louisville in November will, no doubt, bear largely, and perhaps decisively, upon the general result in the State. We believe we shall poll here the largest Republican vote in the history of the city, under favorable conditions. However, not over twenty-five per cent of the vote which we expect to receive at the general election can participate in the Primary Election on August 7th, due to the operation of a Democratic Election law. Therefore, the Republicans, throughout the State who are desirous of seeing a united party in the City of Louisville should see that we have representation upon the State ticket. To do that it is important that they cast their votes for a candidate who would be the proper representation upon the State ticket, and one who can bring about a united party in this city and district in November.

We urge the nomination of Roy Wilhoit for State Auditor, and earnestly request the Republican voters of the State to support him in the Primary on August 7th. He is the choice of those voters upon whom we must rely to carry us to victory this year; and is our choice—and we might add is the unanimous choice of the Republican party in the City of Louisville and the Fifth District. We heartily unite in endorsing his candidacy.

(Signed)

My dear Mr. Wilhoit:—Remembering the very active and vigorous campaign which you made last Fall for Congress, when I was a candidate for the Senate, and feeling that Louisville should have a proper representation on the State ticket, I trust you will be successful in your race for Auditor, and that with Morrow at the head of the ticket, the prospects for a Republican victory this Fall should be most auspicious.

Yours very truly,

Paxtine

A Soluble Antiseptic Powder to be dissolved in water as needed For Douches

In the local treatment of woman's ills, such as leucorrhoea and inflammation, hot douches of Paxtine are very efficacious. No woman who has ever used medicated douches will fail to appreciate the clean and healthy condition Paxtine produces and the prompt relief from soreness and discomfort which follows its use. This is because Paxtine possesses superior cleansing, disinfecting and healing properties.
For ten years the Lydia E. Pinkham Medicine Co. has recommended Paxtine in their private correspondence with women, which proves its superiority. Women who have been relieved say it is "worth its weight in gold." At druggists. 50c. large box or by mail. Sample free. The Paxton Toilet Co., Boston, Mass.

FOR KENTUCKY WOMEN WHO ARE TIRED OUT, NERVOUS, SLEEPLESS, OR RACKED WITH PAIN.

Louisville, Ky.—"When I was in need of a woman's medicine I saw Dr. Pierce's Favorite Prescription advertised. I was nervous, tired out, and it seemed as if I was unable to meet my work. After I began using the 'Prescription' I became better and so much stronger. I used five bottles of this remedy and was entirely cured. I have never been bothered since. I am glad to recommend it because I desire to help others similarly placed."—Mrs. MARY SCHMIDT, 2221 Bank St.
Dr. Pierce's Favorite Prescription is a true friend to women in times of trial and at times of pain when the organs are not performing their functions. For headache, backache, hot flashes, catarrhal condition, bearing down sensation, mental depression, dizziness, fainting spells, lassitude and exhaustion women should never fail to take this tried and true woman's medicine.
For girls about to enter womanhood, women about to become mothers and for the changing days of middle age, Dr. Pierce's Favorite Prescription should always be on hand.
It's a temperance remedy that is extracted from roots with pure glycerine and its ingredients are published on wrapper.

WHY IT SUCCEEDS

Because it's For One Thing Only, and Earlinton People Appreciate This

Nothing can be good for everything. Doing one thing well brings success. Doan's Kidney Pills are for one thing only. For weak or disordered kidneys. Here is reliable evidence of their worth.

Mrs. Eva Hobbs, M. Seminary St. Madisonville, Kentucky says: "I used everything that was recommended for kidney complaint, but the trouble remained. I tried plasters and different medicines, too without success. Finally my attention was called to Doan's Kidney Pills. After taking a few doses I felt their beneficial effect. I continued until all symptoms of kidney disease were removed. My health is now greatly improved." (Statement given May 20th 1907). Over four years later, Mrs. Hobbs said: "I still use Doan's occasionally and found them excellent for kidney trouble."

Diarrhoea Quickly Cured

"About two years ago I had a severe attack of diarrhoea which lasted for over a week," writes W. C. Jones, Buford, N. D. "I became so weak that I could not stand upright. A druggist recommended Chamberlain's Colic, Cholera and Diarrhoea Remedy. The first dose relieved me and within two days I was as well as ever." Obtainable everywhere.
